Replit hosting and publication

Console | ShiftBridge | Replit proof of use

Genuine screenshot captured 23 October 2026. Current status: Live.
The publishing progress bar was still displayed at capture time.
Independent post-publication HTTPS checks passed all 24 checks.

Project: https://replit.com/@kingyang3096/ShiftBridge
Live: https://shift-bridge-kingyang3096.replit.app
Detailed checks: docs/BUILD_STATUS.md and docs/evidence/ in the repository.

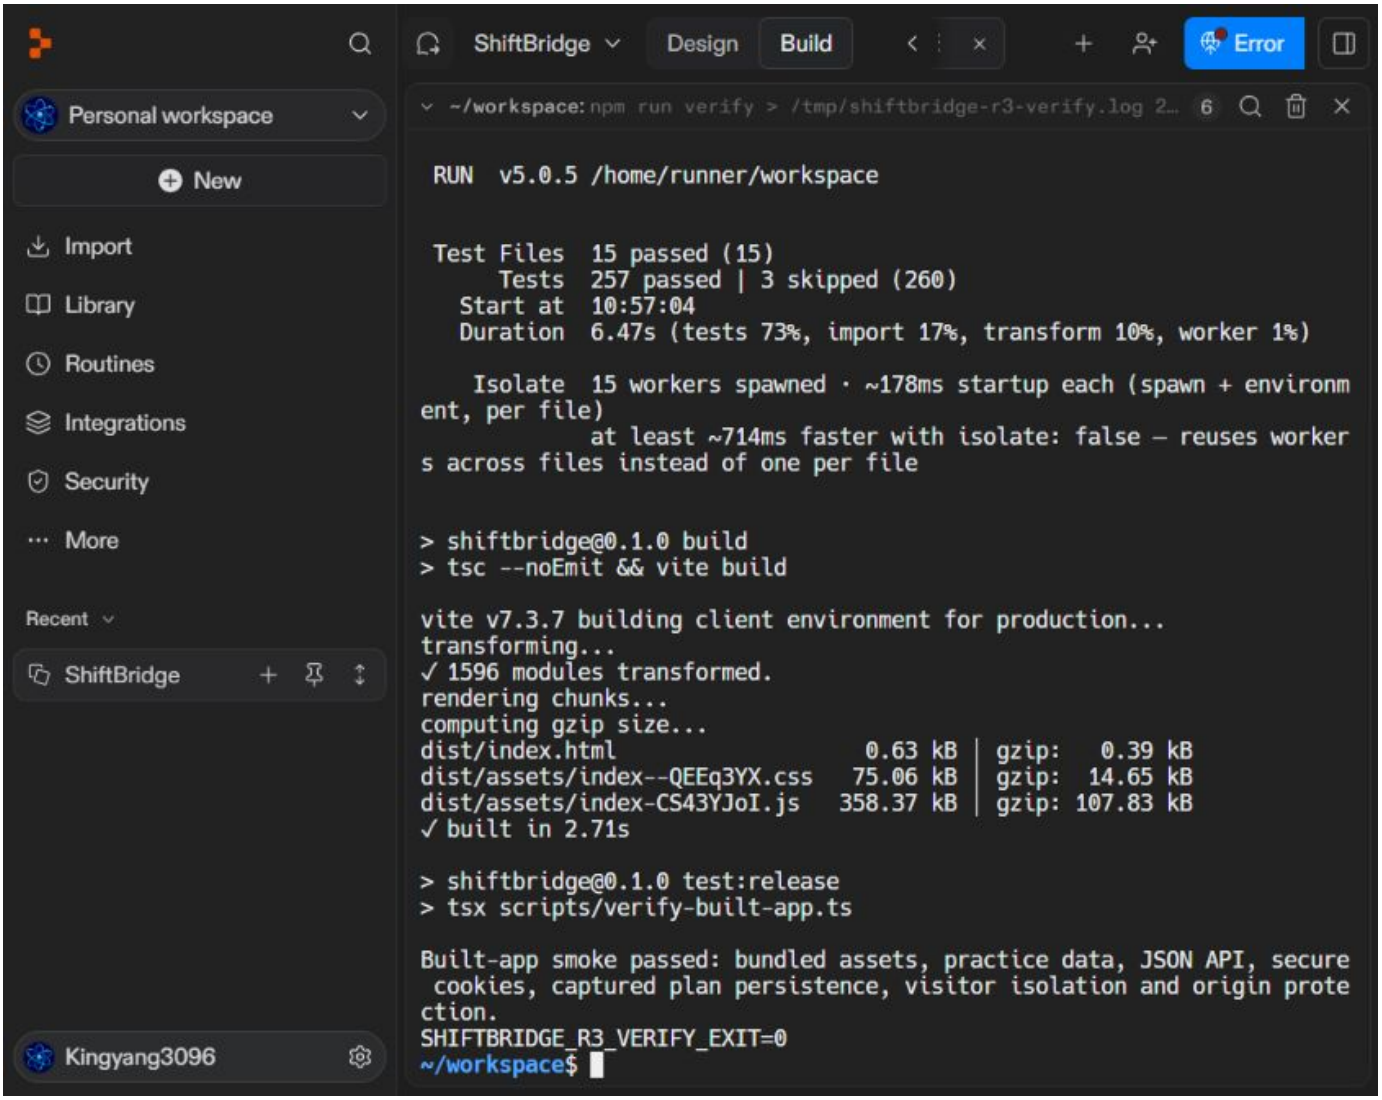

Replit workspace verification

Console | ShiftBridge | Replit proof of use

Genuine earlier r3 workspace screenshot, 23 October 2026.

257 tests passed; 3 optional PostgreSQL tests skipped; build/smoke passed.

The toolbar Error reflects an earlier publishing attempt, not test failure.

Project: https://replit.com/@kingyang3096/ShiftBridge

Live: https://shift-bridge-kingyang3096.replit.app

Detailed checks: docs/BUILD_STATUS.md and docs/evidence/ in the repository.

Prepared 24 October 2026 | Proof 2/2
